

Privacy Policy New Wave

Our policy aims to ensure the protection of personal data of employees, clients, suppliers, and partners, in accordance with legal standards and the company's ethical principles.

Key points of the policy:

- The company collects, stores, processes, and shares personal data only for legitimate and necessary purposes for its business, respecting consent, transparency, security, and the rights of data subjects.
- The company adopts technical and administrative measures to prevent and combat any security incidents that may compromise the integrity, confidentiality, and availability of personal data.
- The company educates and raises awareness among its employees about best practices in privacy and information security, as well as responsibilities and sanctions in case of policy violations.
- The company monitors and periodically reviews its privacy policy and internal processes to ensure continuous improvement and compliance with legal and technological changes.

If you have any questions or need clarification about the guidelines of our Privacy Policy, please contact us at: dpo@newwavetech.com.br
